COLECOVISION

SUPER GAME MODULE™

Grab your favorite joystick and warm up the television set! The Super Game Module™ has finally arrived, shattering the limits of the ColecoVision game console and making perfect arcade conversions a reality. With dramatically **enhanced sound quality** and over thirty times the memory of an unexpanded system, the Super Game Module™ shifts the ColecoVision into overdrive, bringing the greatest arcade hits of the 1980s home without a trace of compromise.

The Super Game Module™ doesn't just bring the **real arcade experience** to your home! The expansion pack also gives your ColecoVision game system the power to handle a new generation of video games once exclusive to cutting-edge Japanese computers. Prepare yourself for sprawling playfields, fiendish puzzles, and towering boss enemies! Arm your hero with power-up items that give him the strength to handle even the toughest challenge! It's a whole new level of gaming excitement that will change the way you think about the ColecoVision!

It's the 21st century, but with the Super Game Module™, your ColecoVision is ready for anything!

PENGUIN ADVENTURE

ACTION GAME CARTRIDGE SG2601 PENGUIN ADVENTURE

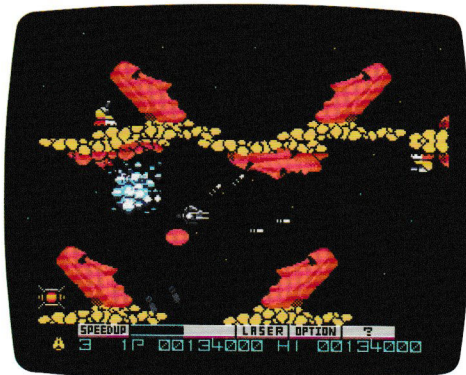

The Penguin Kingdom has fallen ill... and only Penta is tough enough to make the journey to the Dream Continent and return with the miracle cure that will save his homeland. It's going to be a bumpy ride, though, with creepy creatures and hazards in the terrain which threaten to halt Penta's progress. His quest will be tough from start to finish, but he's got to forge ahead for the sake of his fellow penguins... and the lovely princess Penko!

GRADIUS

KONAMI

SHOOTING GAME CARTRIDGE SG2602 GRADIUS

The dreaded Bacterion army is spreading through the galaxy like a disease, and only you can stop it from reaching the peaceful planet Gradius. Break through the Bacterion front line in your prototype spacecraft, collecting power capsules to boost the Vic Viper's weapons to devastating levels. You'll need every advantage you can get to emerge victorious against Zelos, the Bacterion headquarters!

**ACTION/ADVENTURE GAME CARTRIDGE
SG2603 THE MAZE OF GALIOUS**

After slaying the sinister Hudnos, Popolon and his fair bride Aphrodite return home to celebrate. But the nightmare isn't over yet! The scheming sorcerer Galious has a surprise, filling their castle with countless dangers and sealing them inside. Worse yet, Galious has stolen the soul of their unborn child, threatening to end their family before it begins! Popolon and Aphrodite must work together to escape and free their son Pampas, but will strength and cunning be enough to survive... the Maze of Galious?

**ARCADE GAME CARTRIDGE
SG2802 LADY BUG**

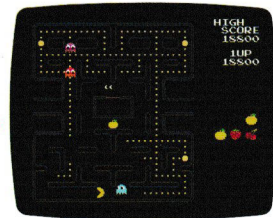

It's not easy being on the bottom of the food chain. Just ask the Lady Bug! All she wants is to munch on tiny flowers in peace, but in no time at all, wasps, centipedes, and other creepy crawlies emerge to make a meal of her. The Lady Bug can't turn the tables on her pursuers, but she can turn gates inside the maze, blocking their path and leading them into deadly skulls. If she's especially clever, she may even uncover a feast of tasty vegetables in this remastered edition of a ColecoVision classic.

**ARCADE GAME CARTRIDGE
SG2804 PAC-MAN DX**

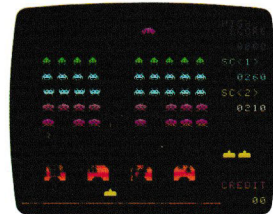

Opcode is bringing the Pac-Man family back! Pac-Man Collection features two of the most popular video games in American arcade history, the original Pac-Man and the addictive and charming Ms Pac-Man. Who can forget the countless hours and quarters spent evading the pesky ghosts while chompin' on the dots and gobbling up the fruit for bonus points! Relive these arcade classics on your own ColecoVision!

**ARCADE GAME CARTRIDGE
SG2803 SPACE INVADERS DX**

The arcade hit that built the foundation for the video game industry has returned, this time on your ColecoVision game system. Challenge an army of unrelenting aliens in the original Space Invaders, then test your skills against a more cunning force in the exciting sequel, Space Invaders Part II. Both games feature a wide variety of options, selectable through an attractive, easy to use menu. The aliens have returned... but with Space Invaders Collection, you're ready to fight back!
